Who We Are

Bali Zero is Bali's leading immigration and business services firm, serving expats and investors from over 40 countries. We are the operational branch of Bayu Santero Group — founded in 2003 — with over 22 years of uninterrupted presence in Bali. Bali Zero was established in 2020 as the dedicated expat services division. We combine deep local expertise with AI-powered intelligence to deliver accurate, fast, and reliable guidance — so you can build your life in Bali with full confidence and zero uncertainty.

Local Authority

22+ years in Bali.
We know every immigration officer, every notary, every rule change — often before it's announced.

AI-Verified Accuracy

Our AI cross-references every regulation, flags inconsistencies and ensures every answer is grounded in current Indonesian law.

End-to-End Service

From first visa to company setup, KBLI compliance, tax filing and property acquisition — one team, one lasting relationship.

KBLI 2025 Deadline

All businesses must migrate from KBLI 2020 to KBLI 2025 codes by 18 June 2026. Non-compliant NIBs risk suspension.

Use our KBLI Navigator at balizero.com/kbli to check your codes and PMA status instantly.

What's Included in Full Package

- OSS & BKPM registration
- KBLI 2025 selection & PMA check
- Notarial deed coordination
- NIB issuance
- LKPM reporting setup
- Virtual office address

Financial Compliance

Indonesian tax law is complex — and the wrong structure can cost more than the tax itself.

Our certified advisors ensure your PT PMA, KITAS, and personal obligations are met, with zero surprises.

KEY TAX FACTS

Personal income tax	5% – 35% progressive
Corporate income tax	22% flat
VAT (PPN)	12% (2025)
Filing deadline	Annual SPT: 31 March

PERSONAL TAX

If you hold a KITAS (working, investor, freelance), you are a tax resident and must file an annual SPT. We handle registration, filing, and NPWP issuance.

CORPORATE TAX

PT PMA companies must file monthly VAT (PPN), income tax (PPh 21/25), and annual reports. We act as your local tax representative.

PROPERTY STRUCTURES

Foreign nationals cannot hold Hak Milik (freehold). We structure Hak Pakai (Right of Use) and Hak Sewa (Leasehold) arrangements — legally compliant under PP 18/2021.

How We Work

Every client gets a dedicated advisor, a private portal to track their case, and direct WhatsApp access.

01

Free Discovery Call

We map your situation: visa needs, business goals, tax obligations.

02

Proposal & Onboarding

You receive a fixed-price proposal. No surprises. No hidden fees.

03

Dedicated Advisor

Your advisor coordinates everything. You have one point of contact.

04

AI-Backed Preparation

Our AI cross-checks all documents before submission. AI verifies. Humans decide.

05

Filing & Tracking

We file with the relevant authority. You track progress in real-time.

06

Approval & Aftercare

We deliver your permit/certificate. Annual reminders keep you compliant.
