ABOUT US

Who we are

Bali Zero is the expat services division of Bayu Santero Group, founded in 2003 — 22 years of uninterrupted presence on the island. We serve expats and investors from more than 40 countries, and we have handled over 10,000 client cases.

We combine deep local expertise with AI-verified research, so you get answers that are both current and grounded in Indonesian law. One team covers your whole journey: the first visa, the company, the tax filings, and the renewals that follow for years afterwards.

01 Local authority

We know the immigration offices, the notaries and the tax officers we work with by name — and we usually see a rule change coming before it is published.

02 AI-verified accuracy

Our own system cross-references every regulation we cite and flags what does not add up. AI verifies; humans decide. Nothing reaches you unchecked.

03 One team, end to end

Visa, company, KBLI compliance, tax and property — handled by the same people, in one relationship, with one point of contact.

> **OUR TRANSPARENCY GUARANTEE**
>
> We never keep your original documents. Every step of your case is visible in your client portal, and every member of our team is identifiable by name.

WHICH ONE IS YOURS

A visa gets you in; a KITAS lets you stay long term, open a bank account and — for the types that carry it — work. If you intend to live here rather than visit, the next page is the one that matters.

IMMIGRATION

Stay permits

A KITAS is a limited stay permit — six months to five years, renewable. A KITAP is the permanent one. Either will normally make you an Indonesian tax resident, which is decided by how long you stay and why, not by the permit alone.

KITAS

Permit	Applied from	Bali Zero fee
E33G Remote Worker	Offshore	Rp 13.000.000
E33G Remote Worker	Onshore	Rp 14.000.000
Investor KITAS, 2 years	Offshore	Rp 17.000.000
Freelance E23	Offshore	Rp 25.800.000

Retirement 55+ (Second Home senior, E33F)	Onshore, 1 year	Rp 16.000.000
Spouse or dependent, 1 year	Offshore	Rp 11.000.000
E33E Second Home Senior, 5 years	Offshore / onshore	Rp 45.000.000

KITAP — permanent

Permit	Bali Zero fee
Investor KITAP — re-entry included	Rp 55.000.000
Retirement KITAP — re-entry included	Rp 45.000.000

OFFSHORE OR ONSHORE

Offshore means the permit is applied for while you are outside Indonesia — the usual route, and the cheaper one. **Onshore** (Altus) is applied for while you are already here: faster, no flight, slightly more.

BUSINESS

Company setup

A PT PMA — the foreign-owned Indonesian company — takes you through OSS, BKPM, KBLI classification and a notarial deed, and commits you to periodic LKPM investment reporting to BKPM from then on. We handle all of it, and we stay on for the reporting.

Formation and registrations

Service	Bali Zero fee
New PT PMA — full package, including OSS, BKPM, NIB and notarial deed	Rp 25.000.000
Virtual office, 1 year	Rp 5.000.000
NPWPD — regional tax registration	Rp 2.500.000
BPJS Ketenagakerjaan — employee social security	Rp 2.500.000
BPJS Kesehatan — health insurance	Rp 2.500.000
Closing a PMA company	Rp 6.000.000 – Rp 7.500.000

Work permits for foreign staff

Permit	Applied from	Bali Zero fee
Working KITAS	Offshore	Rp 34.500.000
Working KITAS	Onshore	Rp 36.000.000
Working KITAS — renewal	In place	Rp 31.500.000

KBLI 2025 — DEADLINE 18 JUNE 2026

Every registered business must migrate from KBLI 2020 codes to KBLI 2025. A NIB left on the old codes risks suspension. Check yours in seconds with our free KBLI Navigator at **balizero.com/kbli** — it also tells you whether a code is open to foreign ownership.

TAX & ACCOUNTING

Staying compliant

A PT PMA files withholding tax every month, VAT every month once it is VAT-registered (PKP), and a corporate return every year. If you hold a KITAS you will normally be a tax resident yourself, with your own annual return. We act as your local representative for both.

Monthly bookkeeping and filing

Transactions per month	Monthly only	With LKPM & annual
Up to 50	Rp 1.800.000 – Rp 2.000.000	Rp 2.500.000
50 to 100	Rp 2.500.000 – Rp 3.000.000	Rp 3.500.000
100 to 200	Rp 3.500.000 – Rp 4.500.000	Rp 4.500.000
Over 200	Rp 5.000.000	Rp 6.500.000

Annual

Filing	Bali Zero fee
Corporate annual return — SPT Tahunan Badan	Rp 4.000.000
Personal annual return — SPT Tahunan Orang Pribadi	Rp 1.000.000
LKPM investment report	Rp 4.000.000
Dormant company — yearly financial report	Rp 3.000.000

THE NUMBERS THAT DECIDE YOUR STRUCTURE

Personal income tax runs 5% to 35% progressive; corporate income tax is 22%, with reduced rates for smaller companies; VAT is 12%. An NPWP is mandatory once you hold a KITAS, the annual return is due 31 March, and a tax resident is taxed on worldwide income — which is exactly why the structure is worth getting right before the first filing, not after.

PERSONAL DOCUMENTS

The paperwork around you

The small documents that make daily life work — and the ones the immigration office asks for when you leave, move or renew.

Document	Bali Zero fee
SKTT — resident registration card	Rp 1.500.000
SKCK — police clearance certificate	Rp 2.000.000
Domicile letter	Rp 1.500.000
Passport, 5 years	Rp 1.300.000
Passport, 10 years	Rp 2.200.000
Passport mutation — new passport, same permit	Rp 500.000
Address mutation	Rp 500.000
Exit permit (EPO) — filed in Indonesia, surrendering your stay permit	Rp 700.000
Exit permit — filed from abroad, if you have already left for good	Rp 800.000

PROPERTY — BEFORE YOU SIGN ANYTHING

A foreign national cannot hold Hak Milik, Indonesian freehold. What you can hold is Hak Pakai (right of use) or Hak Sewa (leasehold), and a PT PMA can hold Hak Guna Bangunan. Any arrangement that promises you freehold through a nominee is void under Indonesian law, and the land is not yours. Ask us first.

OUR PROCESS

How we work

One dedicated advisor, a private portal where you can watch your case move, and an AI assistant available at any hour for the questions that arrive at 2am.

#	Step	What happens
1	Discovery call	Free. We map your situation — visa, business, tax — and tell you which pathway is actually yours.
2	Fixed-price proposal	One all-inclusive figure per service. No hourly billing, no fees revealed later.
3	Your advisor	One person owns your case and coordinates everyone else. You never re-explain your situation.
4	Preparation	Every document is cross-checked against current regulation before it is submitted.
5	Filing	We file with the authority, and you follow the progress in your portal.
6	Aftercare	We deliver the permit — and we hold the renewal dates, so the next deadline is ours to remember.
