THE HOW

The Blueprint: Your Path to Compliance & Licensing

THE HOW

Your Core Business Obligations

To operate under KBLI 55199, your business must fulfill three primary obligations:

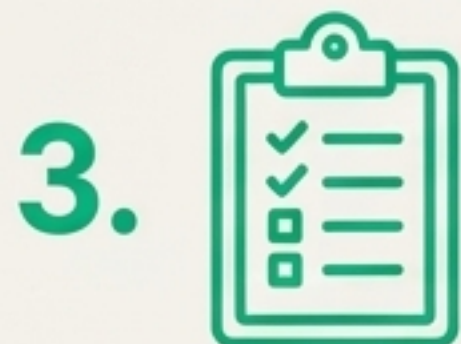

Possess a Health-Worthiness Certificate (Sertifikat laik sehat).

This ensures your property meets health and sanitation standards for guest safety.

Submit periodic activity reports.

This involves regular reporting on your business operations to the relevant authorities.

Submit standard implementation documents.

This demonstrates your adherence to the established business and service standards.

THE HOW

Who Grants Your License?

The authority responsible for issuing your license depends on the investment structure of your business.

Domestic Investment (All Scales)

Mayor / Regent (Bupati / Walikota)

The license is processed and issued at the local government level.

Foreign Direct Investment (PMA)

Minister / Head of Agency (Menteri / Kepala Badan)

PMA licensing is handled at the central government level, often through the Investment Coordinating Board (BKPM).
