The Blueprint: Your Core Compliance Obligations

To operate under KBLI 55900, your business must meet a specific set of requirements. The following slides detail each core obligation, from mandatory certifications to self-assessment documentation.

Obligation 1: The Standard Business Certificate

Foreign Investment (PMA) companies are required to possess a Standard Business Certificate for their operations.

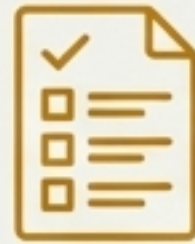

- Official Name: Sertifikat Standar Usaha
- Issuing Body: Must be issued by a registered Tourism Business Certification Body (LSPr).

Strategic Note: This is a foundational requirement for market entry and operational legality for foreign-owned entities.

Obligation 2: Required Self-Assessment Documents

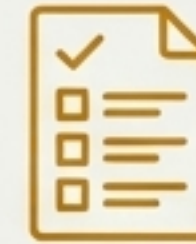

Depending on your specific service offering, you must prepare a Self-Assessment Document demonstrating your readiness to meet operational standards.

For Hotel Management Services

Requirement: “Dokumen Penilaian Mandiri Kesiapan Penerapan Standar usaha penyediaan akomodasi jasa manajemen hotel”.

Assessment Covers: Facilities, Organizational Structure & HR, Services, Product Offerings, and Business Management Systems.

For Senior/Elderly Tourist Residences

Requirement: “Dokumen Penilaian Mandiri Kesiapan Penerapan Standar usaha penyediaan akomodasi hunian wisata senior/lansia”.

Assessment Covers: Facilities, Organizational Structure & HR, Services, Product Offerings, and Business Management Systems.

Obligation 3: Ensuring Health and Safety Standards

All businesses operating under KBLI 55900 must obtain a Certificate of Healthworthiness.

- **Official Name:** Sertifikat laik sehat
- **Purpose:** This certificate confirms that your facility meets the required government standards for **health, hygiene, and sanitation**, ensuring a **safe environment** for residents.

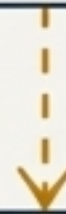

The Approval Pathway: Navigating Licensing Authorities

All Business Scales

Regent / Mayor (Bupati/Walikota)

The primary licensing authority for all businesses operating under this KBLI code, regardless of size.

Specific to Foreign Investment (PMA)

Minister / Head of Agency (Menteri/Kepala Badan)

In addition to local approval, foreign-owned companies fall under the jurisdiction of the relevant national ministry or investment coordinating body.

Your KBLI 55900 Compliance Checklist

- ☐ **Define Business Scope:** Confirm your model fits within the KBLI 55900 description (e.g., student dorm, worker lodge).
- ☐ **Secure Standard Business Certificate (PMA):** Obtain the *Sertifikat Standar Usaha* from an LSPr.
- ☐ **Secure Healthworthiness Certificate:** Obtain the *Sertifikat laik sehat*.
- ☐ **Prepare Self-Assessment Document:** Complete the correct *Penilaian Mandiri* for your specific service (Hotel Management or Senior Living).
- ☐ **Identify Licensing Authority:** Engage with the appropriate Regent/Mayor, and for PMA, the national Minister/Agency.

This checklist forms the foundation of your regulatory compliance for establishing an alternative accommodation business in Indonesia.
