

A Strategic Guide to KBLI 55120: Hotel Melati

Unlocking a Key Opportunity in
Indonesia's Tourism Sector

A Low-Risk, High-Access Investment Framework

KBLI 55120 is structured to attract investment by minimizing regulatory barriers and maximizing ownership control.

Tingkat Risiko: Rendah (Low Risk)

Classified as a low-risk business activity, streamlining the setup and operational process.

Foreign Investment (PMA): 100% Allowed

Permits up to 100% foreign ownership, offering complete control for international investors.

Defining the 'Hotel Melati' Business Category

“ This group includes the business of providing public lodging services that are managed commercially, using part or all of a building that has met the provisions as a 'Hotel Melati' as stipulated in the decision letter of its supervising agency.

Key Takeaway

In essence, a 'Hotel Melati' is a specific classification for commercially-run hotels and inns that meet a defined set of operational standards, distinct from larger star-rated hotels.

Flexible for Any Scale of Operation

The KBLI 55120 classification accommodates a full spectrum of business sizes, allowing for tailored investment strategies

The Four Core Obligations for Compliance

To establish and operate a Hotel Melati, your business must fulfill four primary obligations. The following slides will detail each requirement.

1

Tourism Business
Standard Certificate

2

Health Eligibility
Certificate

3

Foreign Manpower Plan
(if applicable)

4

Self- Assessment for
Operational Readiness

Obligation 1: Tourism Business Standard Certificate

Requirement

Memiliki sertifikat standar usaha pariwisata dari LSPr.

Translation & Context

Businesses must obtain a Tourism Business Standard Certificate. This certificate is issued by a certified Tourism Business Certification Body (Lembaga–Sertifikasi Usaha Pariwisata - LSPr) and validates that the hotel meets national tourism industry standards.

Obligation 2: Health Eligibility Certificate

Requirement

Memiliki Sertifikat Laik Sehat.

Translation & Context

A Health Eligibility Certificate is mandatory. This document certifies that the property complies with all required health, hygiene, and sanitation standards to ensure guest safety and well-being.

Obligation 3: Foreign Manpower Utilization Plan (RPTKA)

Requirement

Dalam hal mempekerjakan TKA, wajib memiliki dokumen pengesahan Rencana Penggunaan Tenaga Kerja Asing (RPTKA).

Clarification

This obligation is **conditional**. It applies **only if** the business intends to employ foreign workers (Tenaga Kerja Asing - TKA). If so, an approved Foreign Manpower Utilization Plan is required.

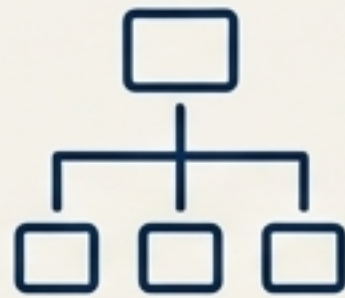

Obligation 4: Comprehensive Self-Assessment Document

Memiliki Dokumen Penilaian Mandiri Kesiapan Penerapan Standar usaha Hotel Melati.

Businesses must prepare a self-assessment document that demonstrates readiness to implement the Hotel Melati business standards. This document must cover five key areas:

Sarana: Facilities and infrastructure.

Struktur Organisasi dan SDM: Organizational structure and human resources.

Pelayanan: Service standards and guest experience.

Produk usaha: Business products and offerings.

Sistem Manajemen Usaha: Business management systems.

Navigating the Approval Authorities

The authority responsible for issuing the license depends on the nature and location of the investment.

National Level: Minister / Head of Agency
(Responsible for Foreign Investment - PMA)

Provincial Level: Governor
(Oversees all scales within the province)

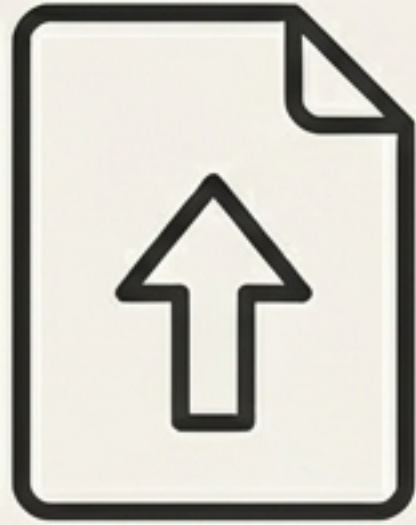

Local Level: Regent (Bupati) / Mayor (Walikota)
(Oversees all scales within their municipality)

The Strategic Advantage: Automatic Approval via 'Fiktif Positif'

KBLI 55120 is one of 258 business classifications in Indonesia that benefits from the “Fiktif Positif” (Positive Fictitious) rule—a powerful mechanism for automatic, time-bound approval.

How 'Fiktif Positif' Accelerates Your Launch

Step 1: Application Submitted

Your license application is filed through the official system.

Step 2: SLA Timer Starts

If no official response (approval or rejection) is issued by the relevant authority within the legally mandated Service Level Agreement (SLA) timeframe...

Result

The permit is considered legally and automatically approved. This provides a clear and predictable timeline for business launch.

The KBLI 55120 Blueprint: At a Glance
